Sandy, OR 97055-8001

**Re: 17-040 ANN Annexation of property owned by Don and Grant Sturm, and zone change from RRFF-5 to SFR**

Dear Commissioners:

This letter is submitted jointly by Housing Land Advocates (HLA) and the Fair Housing Council of Oregon (FHCO). Both HLA and FHCO are non-profit organizations that advocate for land use policies and practices that ensure an adequate and appropriate supply of affordable housing for all Oregonians. FHCO's interests relate to a jurisdiction's obligation to affirmatively further fair housing. Please include these comments in the record for the above-referenced proposed amendment.

As you may know, all amendments to the Comprehensive Plan Map and Zoning Map must comply with the Statewide Planning Goals. ORS 197.175(2)(a). However, the staff report in support of the proposed amendment does not make Goal 10 findings.

When a decision is made affecting the residential land supply, the City must refer to its Housing Needs Analysis and Buildable Land Inventory to show that an adequate number of needed housing units (both housing type and affordability level) will be supported by the residential land supply after enactment of the proposed change—that analysis was not included in the staff report.

Even when a proposal increases the residential land supply, the City must show that it is adding needed residential zones (e.g. R5, or other zone that would allow more density). The City must demonstrate that its actions do not leave it with less than adequate residential land supplies in the types, locations, and affordability ranges affected. *See Mulford v. Town of Lakeview*, 36 Or

LUBA 715, 731 (1999) (rezoning residential land for industrial uses); *Gresham v. Fairview*, 3 Or LUBA 219 (same); see also, *Home Builders Assn. of Lane County v. City of Eugene*, 41 Or LUBA 370, 422 (2002) (subjecting Goal 10 inventories to tree and waterway protection zones of indefinite quantities and locations).

HLA and FHCO urge the Commission to defer adoption of the proposed amendment until Goal 10 findings can be made. Thank you for your consideration. Please provide written notice of your decision to, FHCO, c/o Louise Dix, at 1221 SW Yamhill Street, #305, Portland, OR 97205 and HLA, c/o Jennifer Bragar, at 121 SW Morrison Street, Suite 1850, Portland, OR 97204. Please feel free to email Louise Dix at [ldix@fhco.org](mailto:ldix@fhco.org) or reach her by phone at (541) 951-0667.

Thank you for your consideration.
