Re: Comprehensive Plan Map/Zoning Map Amendments (Application No. POZ 19-0 I)

Dear Commissioners:

This letter is submitted jointly by Housing Land Advocates (HLA) and the Fair Housing Council of Oregon (FHCO). Both HLA and FHCO are non-profit organizations that advocate for land use policies and practices that ensure an adequate and appropriate supply of affordable housing for all Oregonians. FHCO's interests relate to a jurisdiction's obligation to affirmatively further fair housing. Please include these comments in the record for the above-referenced proposed amendment.

As you know, and as reflected in the staff report, all amendments to the City's Comprehensive Plan and Zoning map must comply with the Statewide Planning Goals. ORS 197.175(2)(a). When a decision is made affecting the residential land supply, the City must refer to its Housing Needs Analysis (HNA) and Buildable Land Inventory (BLI) in order to show that an adequate number of needed housing units (both housing type and affordability level) will be supported by the residential land supply after enactment of the proposed change.

The staff report for the proposed Comprehensive Plan Map/Zoning Map Amendments states that Goal 10 criteria are satisfied because "The historic use of Subject Property has been for commercial and industrial type use for several decades." However, Goal 10 findings must demonstrate, with an adequate factual basis, that the proposed changes do not leave the City with less than adequate residential land supplies in the types, locations, and affordability ranges affected. *See Mulford v. Town of Lakeview*, 36 Or LUBA 715, 731 (1999) (rezoning residential land for industrial uses); *Gresham v. Fairview*, 3 Or LUBA 219 (same); see also, *Home Builders Assn. of Lane Cty. v. City of Eugene*, 41 Or LUBA 370, 422 (2002) (subjecting Goal 10

inventories to tree and waterway protection zones of indefinite quantities and locations). Further, since these amendments will reduce the residential land within the City, the report should reference the City's HNA to demonstrate the changes the amendments will have on needed housing. Only with a complete analysis showing any gain/loss in needed housing as dictated by the HNA and compared to the BLI, can housing advocates and planners understand whether the City is achieving its goals through the proposed amendments.

HLA and FHCO urge the Commission to defer approval of the proposed amendments until Goal 10 findings can be made, and the proposal evaluated under the HNA and BLI. Thank you for your consideration. Please provide written notice of your decision to, FHCO, c/o Louise Dix, at 1221 SW Yamhill Street, #305, Portland, OR 97205 and HLA, c/o Jennifer Bragar, at 121 SW Morrison Street, Suite 1850, Portland, OR 97204. Please feel free to email Louise Dix at ldix@fhco.org or reach her by phone at (541) 951-0667.

Thank you for your consideration.
